TELEPASS Truck

Welcome on Telepass Truck! Please, log in to continue.

Login

MOTORWAY

Through a single Telepass device you can pay motorway tolls in **different countries**.

PARKING

In both France and Italy your Telepass EU device allows you to automatically pay your **parking in designated facilities**: the fare will be directly charged on your Telepass account with no extra fee.

FERRIES

Automatically purchase your ticket for the ferry service across the **Strait of Messina**, without stopping at the ticket office and without getting off your vehicle, by simply using Telepass dedicated lanes.

GEOLOCALIZATION

Your **freedom of movement** goes beyond borders: live the advantages and the comfort of geolocation and of Telepass services dedicated to truck.
